

## iPad as a Life Tool

So you're the proud owner of a new or new-to-you iPad. Now you're asking yourself, "What's next?" Let us show you during this two-hour class. Not only will we cover the iPad's many features, we'll also help you personalize yours so it works best for you. After we have these basics out of the way, we'll focus on the fun part — apps! We'll show you how to find, download, and start using new apps, and then we'll showcase a handful of popular and useful ones. Don't forget to bring your iPad to class!
